

CONEY WESTON PARISH COUNCIL

WEBSITE ACCESSIBILITY STATEMENT

Coney Weston Parish Council is committed to ensuring digital accessibility for people with disabilities. This statement applies to the website <https://coneywestonparishcouncil.gov.uk/parish-council/>.

The Council wishes to improve the user experience for everyone and to meet the requirements of the Public Sector Bodies (Websites and Mobile Applications) Accessibility Regulations 2018, which are based on the Web Content Accessibility Guidelines (WCAG) 2.2 ([Web Content Accessibility Guidelines version 2.2](#)). We know that some parts of this website are not yet fully accessible. The council is taking steps to identify how best to make the website compliant.

Non-compliance with accessibility requirements:

Empty links: There are links on the website that contain no text, and so the function of the link will not be presented to users using some assistive technology. This can sometimes be the case where a link is an image or icon such as for social media or search buttons. It can also occur when an old link is removed but the code is left behind by accident.

Empty headings: Headings are used to help users navigate between content. Some users, especially keyboard and screen reader users navigate by heading elements. An empty heading that has some forms of empty code but no text within that heading will not provide any information to that user and may be confusing.
