This website is partially compliant with the [Web Content Accessibility Guidelines version 2.1](#) AA standard, due to the non-compliances listed below.

- Many of our older PDFs do not meet accessibility standards. For example, they may not be structured so they are accessible to a screen reader. This does not meet WCAG 2.1 success criterion 4.1.2.
- The accessibility regulations do not require us to fix PDFs or other documents published before 23rd September 2018 if they are not essential to providing our services. For example, we do not plan to fix copies of minutes.
- There are accessibility problems with the captioning of the vintage photos on the Home Page which is due to be addressed soon.
